

# The Future of Rotary Is in Your Hands

## District Governor's Chinese New Year Message

*Dear Presidents and District Leaders*

When red banners with spring couplets and lucky messages start hanging on walls of offices and apartments, and as we see all kinds of festive plantations and snacks popping out of nowhere along the streets and stalls, we know that the Chinese New Year has arrived and it is time to share the joy with family and friends.

During this very special time of the year, we are not only celebrating the joyful season and the new Year of Tiger, but also taking the chance to relax a bit after a whole year's hard work. To be united with our beloved family and friends, it is a perfect time for us to take a good rest, get recharged and be ready for the upcoming challenges.

When we share the joy of Spring Festival, let us not forget the less fortunate ones in our community and in the world. Let us continue to contribute our efforts, talents and time to serve those who are in need. With the arrival of Chinese New Year, it signals that we have already come to the second half of the Rotary Year. It is time to review our achievements in the past months, while to get prepared for the next few months. Let us complete the remaining tasks for our projects and be prepared to continue with our goals set for the year.

Taking this opportunity, I would also like to remind you of the District Conference which will take place on Saturday 17 and Sunday 18 April 2010 in Hong Kong Disneyland Resort Hotel. As an annual gathering for all Rotarians of our district, I urge you to take part actively in this important event, which will be a valuable chance to strengthen our bond as well as to share our visions and actions during the year.

Kung Hei Fat Choi! I wish you and your family a fruitful and prosperous Year of Tiger, full of courage, passion and energy. May the Rotary spirit be with you always because The Future of Rotary Is in Your Hands.

Yours in Rotary,  
DG Ada  
14 February 2010
