**Venue:** The Peak Galleria

During these few years, Rotary International District 3450 has extended its humanitarian and social services in Mainland China. Last Year, we committed to collaborate with the Ministry of Health in China to vaccinate One Million New Born Babies against Hepatitis B in 10 years' time. The project was officially launched in October 2002 in Handan of Hebei Province in which dedicated Rotarians were assigned to see that the project was run smoothly and up to our pre-set standard.

To raise fund for the project, we need support from every one. We have pleasure to invite you, your relatives and friends to join and sponsor this meaningful walkathon. Through collective efforts from us all, we are sure the new born babies can be saved in China against Hepatitis B and their lives will be improved because of YOUR efforts. Let us "Lend A Hand" together and give "Love" to the new born babies in China!

最近幾年，扶輪3450地區涵蓋的範圍不斷擴大，地區與地區內個別扶輪社的人道及社會服務亦已推展到中國大陸去。去年，本地區終於與中國衛生部簽署合作協議，進行一項為期十年計劃，為中國100萬個初生嬰兒注射乙型肝炎疫苗的行動。這乙肝項目已於去年(2002年)十月在河北省邯鄲市正式起動，並由本地區委任的代表進行全面監管。

今年，為確保這個項目能夠成功，我們必須有賴各位熱心人士的大力支持。在此，我們誠意邀請您和您心愛的家人及朋友，齊來參加和贊助這個有意義的步行嘉年華。讓我們齊來獻出“愛心”和“伸出援手”去幫助中國100萬個初生嬰兒，令他們的生命得到保障，可以生活得更好和快樂。
